The Dental Surgeons
(whose registration has lapsed in Delhi Dental Council)

Sub: - Renewal/Restoration of registration.

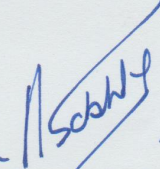

Dear Professional,

It is obligatory on the part of every registered Dentist to seek renewal/restoration of registration immediately after its expiry during the period of 3-months commencing from 1st January to 31st March, set out in section 39 of the Dentists Act, 1948.

A scrutiny of the Dentist Register maintained by the Delhi Dental Council reveals that your registration has lapsed and its renewal has not been sought by you. You would appreciate that practice of dentistry without valid registration is not only violation of the Dentists Act but also against medical ethics.

You are therefore requested to get your registration renewed/restored immediately through online i.e. www.delhidentalcouncil.in after paying the requisite fee/dues to the Council. For any other query please contact Tel No. 011-23814023.

Please ignore this letter, in case your registration/restoration has already been done.
